Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

You are always sensitive to others' feelings, and you pick up on even the slightest change in mood. Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You prefer a mate who is able to give you an overview or picture of what is happening. It's even OK if your partner runs a tad cool, because you tend to run a little hot... sometimes gushy. You depend on the calm, disciplined advice of a good manager -- which is what your partners often turn out to be.

Capricorn on 7th Cusp

You like a partner that is a hard worker, perhaps a little on the serious side -- a mainstay of the community. They may tend to run a little cooler than hot, and this is OK with you. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

Saturn Ruler of 7th

Strengths in your relationships

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Conjunction Pluto (orb: 01 07')

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

Moon Conjunction Sun (orb: 01 50')

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Mercury Conjunction Venus (orb: 04 23')

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Sextile Neptune (orb: 04 49')

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

Mercury Sextile Neptune (orb: 04 60')

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things

spontaneous.

Sun Sextile Uranus (orb: 05 07')

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

Venus Conjunction Pluto (orb: 05 30')

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

Moon Conjunction Pluto (orb: 08 42')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Conjunction Mercury (orb: 09 49')

Challenges in your relationships

You sometimes have trouble distinguishing between your dreams of life and the actual reality. Or you lack the discipline to make those dreams real, to work to make reality be as you always dreamed it could be. This could lead to unreasonable expectations of other people, especially your lover. A tendency to daydream finds you with a number of false starts. You are easily distracted and have difficulty carrying things through to the finish. You may worry about being deceived by others.

Mars Square Neptune (orb: 03 29')

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Opposition Jupiter (orb: 04 50')

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

Moon Opposition Jupiter (orb: 06 40')

Your Relationship with Priyanka

She has a healthy psychological effect on you. You probably have long and involved discussions, perhaps secluding yourself from the rest of the world for a time. Through knowing her you feel more accepting of the way life and the world are. She is supportive of the tendency in yourself to forgive and forget, to suffer the pangs and arrows of life in favor of its better qualities. When you are with her, you can become very accepting, tranquil, almost sweet.

Her Moon in Your Twelfth House

Meeting Priyanka has got to be good for you, at least for your health and personal habits. She is sure to give you a hand at implementing all those many projects that you have never gotten around to doing, like eating better, cutting down on this, and so forth. She is really able to get you to work on taking care of these kinds of details. And she cares for you in about every way you could imagine. Where else could you get this kind of service? In many ways she is your own conscience come alive. Working hand and hand with her should take a great burden off your mind.

Her Sun in Your Sixth House

When the two of you get together for an intensive talk session, watch out. You love to discuss the details of work and matters relating to your health, self-improvement, and general well-being. She brings out ideas on how to improve and care for yourself. On the down side, both of you can slip into a very critical vein, especially of others. You may find yourself working together in some editorial or managerial capacity.

Her Mercury in Your Sixth House

She seems to appreciate your more domestic and homey qualities. She likes the way you feel, physically and emotionally. Priyanka tends to bring out the parent or protector in you and tends to banish your thoughts of coolness and distance. You have thoughts of home life and domesticity when you are with her. The idea of putting down roots, settling down, and just living life takes on value through knowing her.

Her Venus in Your Fourth House

Here is the possibility of a very intense and even passionate relationship. Sexual overtones are almost inescapable. Priyanka moves you to feelings that are very direct and personal. You probably tend to spend time alone, if only because you might feel vulnerable being so open about yourself in public. This could be an excellent business relationship too, since there is the ability to get down to what is important -- the real nitty-gritty. Not a casual meeting.

Her Mars in Your Eighth House

Priyanka may have been the means for you to meet many new people in your life. You like to be in the public and feel social when you are with her. She makes it easy for you to respond

to others, understand them, and share in the common experience of life. She could be instrumental in leading you into a career involving the public or bringing your current career into greater public attention. There is a real sense of comradeship with you two.

Her Jupiter in Your Seventh House

Priyanka loves routine. She takes the domestic scene very seriously and especially loves to work around the home. You may find this helpful at times, but more likely you will experience it as restricting. There is a sense of heaviness, as if limits have been set on the experience of just living out a day. On the up side, there is a great sense of security and provision.

Her Saturn in Your Fourth House

She has unusual ways of showing affection and a different sense of self-expression. When you are with her you find yourself willing to try things, feel out all the new possibilities and this includes love making. You just never can be sure what to expect when it comes to Priyanka, and she never ceases to surprise you.

Her Uranus in Your Fifth House

There is a sense of romance and mystery with Priyanka. Your love assumes almost ideal proportions, and you both tend to get transported to some very fine states of mind. Music, poetry, art... creative expressions of all kinds seem to get a lift. Everything seems to be in synch. This is almost a storybook romance. You may tend to be carried away from time to time. You love the movies.

Her Neptune in Your Fifth House

Knowing Priyanka can have a revolutionary effect on your thinking processes. The two of you probably have intense and passionate conversations that cut through the mundane and get right to the nitty-gritty. She is challenging, and it is more likely that there are arguments than not. She can see through any pretense and knows just how it is with you. Your speaking, thinking, and writing habits may undergo a major transformation from her influence.

Her Pluto in Your Third House

This could be a fine business relationship because both of you can concentrate on the essentials.

Your Mercury Conjunction Her Pluto (orb: 00 49')

She loves the way you act and come on. Your basic energy and motivation appeals to her. You may find yourself on stage and performing for her. This makes for lots of fun and great romance.

Your Mars Sextile Her Venus (orb: 01 20')

Your Mercury Sextile Her Neptune (orb: 04 21')

You both have an understanding that she is a little different and likes her independence. This is not a problem. She brings some excitement and adventure to your life, and may be restless and on the go. She may introduce you to unusual friends and situations.

Your Sun Sextile Her Uranus (orb: 04 30')

Aside from any romance, this could result in a sound business relationship. You value Priyanka's judgment and, more often than not, tend to let her act as your guide in matters of career and direction. She knows you appreciate her abilities, and this combination should be an enduring one.

Your Venus Trine Her Jupiter (orb: 05 01')

You tend to love her passionate nature. She knows this, and that you appreciate her need for self-analysis and confrontation. Your relationship may be very intense, but always exciting. Things are seldom dull.

Your Venus Conjunction Her Pluto (orb: 05 12')

You both probably love music, theater, and -- above all -- the movies. She finds you very supportive when it comes to her dreams and fantasies. You probably find it easy to get lost together in any of a number of imaginative activities. You tend to get emotionally very clear and high when the two of you are together.

Your Moon Sextile Her Neptune (orb: 05 28')

She looks to you for support for her need for self-analysis and emotional probing. You probably have spent many a late night helping her through a change or two. You find her intensity workable, and you don't mind that she puts you through some emotional changes of

your own.

Your Moon Conjunction Her Pluto (orb: 08 60')

Challenges in your relationship with Priyanka

You find that it is easy for you to hurt her feelings, or she takes offense easily, with the result that she is not always as supportive of you as you might wish. You both waste a lot of time holding out against the other. You may feel that she ignores you.

Your Sun Square Her Moon (orb: 02 24')

She may not always think highly of you and is not afraid to let you know when this is the case. You may sometimes tend to discount what she says and squelch communication. You don't always like what she thinks.

Your Sun Square Her Mercury (orb: 02 42')

You may feel that Priyanka is a hopeless dreamer, and you may refuse to get behind what you term escapism on her part. Your own ambitions run counter to her own sense of mystery and idealism. She may disappoint or deceive you.

Your Mars Square Her Neptune (orb: 02 50')

Push me; pull you. There is a tendency to end up feeling at odds with one another no matter what the issue. This could manifest in hard feelings and a lack of support on each of your parts. It is a no-win situation, and even a bit humorous.

Your Moon Square Her Moon (orb: 04 14')

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.

Your Mars Opposition Her Mars (orb: 04 19')

Although you feel plenty of natural affinity to Priyanka, there is also a tendency to bang heads once in a while. She may head off in one direction; you, in another. You will have to cultivate a sense of cooperation and understanding.

Your Sun Square Her Sun (orb: 04 20')

From time to time there may be some hard feelings and harsh words between you. You may not feel like talking, or find that you can't support a lot of what she is saying. She may not be able to understand how you feel, and resents your attitude.

Your Moon Square Her Mercury (orb: 04 33')

You may not feel very supportive of Priyanka, and she may not be able to depend on you as much as she would like. She seems to go against your feelings more than a little, and this could lead to many a confrontation.

Your Moon Square Her Sun (orb: 06 11')

How You Approach Relationships

You are so forgiving and accepting that some would think you woolly-minded. You are by nature philosophical and understand how things are in the world to such a degree that it is hard for you to take anyone to task. And very sensitive too. Unquestionably, a bit of a dreamer. There will be few who will be able to really understand and get to know you. You tend to fall for very down-to-earth and practical types. You would prefer to leave all the details of life to your mate, a trait that does not always endear you to them. You love their gentleness, and the care and fastidiousness they expend in your behalf.

Virgo on 7th Cusp

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

Mercury Ruler of 7th

You depend on your relationships to learn about yourself. You tend to be intense and confrontive, and love to strip away the social amenities in a group situation and get down to the nitty-gritty. Others find you passionate and always interested in sensitive issues -- skeletons in the closet, and the like.

Strengths in your relationships

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 01 38')

A born lover. You feel right at home with your emotions, and others can't help but remark at your bright, cheery attitude. People like to be around you because you are very expressive and always quick to reveal when you like someone or something. You seldom hide what you are feeling. A love relationship is a real necessity for you and you seldom are without one. You are at home with your sexuality.

Venus Trine Mars (orb: 02 59')

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Sextile Jupiter (orb: 04 36')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Trine Jupiter (orb: 06 32')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Trine Mars (orb: 08 13')

Challenges in your relationships

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Opposition Mercury (orb: 00 18')

You sometimes have trouble distinguishing between your dreams of life and the actual reality. Or you lack the discipline to make those dreams real, to work to make reality be as you always dreamed it could be. You are easily distracted and have difficulty carrying things through to the finish. You may worry about being deceived by others.

Mars Square Neptune (orb: 01 29')

You are torn between the impulse to stand on your own feet, and a need to be cared for and nurtured. Your independent streak may be ashamed of the need on your part for love and affection. It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

Your Relationship with Ramesh C

The two of you may work together in the public eye. From the very first, you saw that he was a natural complement, and you knew that you could always count on his support. You might actually form some kind of business partnership. He seems to respond to your every mood. There is real harmony between the two of you. Others could come to depend on your relationship for reasons of their own.

His Moon in Your Seventh House

This is a true partnership -- real marriage material. When you first met Ramesh, you got the message as to what marriage and partners are really all about. Perhaps for the first time you experienced what it is like to totally respond to another person. All you wanted to do was to love and care for him. Bells rang, and all of that. It had the potential for being a real initiation, a coming together. You are ready to work to keep this love together.

His Sun in Your Seventh House

The two of you have a great rapport. There is mental kinship. In fact a talk session with Ramesh almost amounts to therapy for you both. There is a real sense of mutual reflection. It would be hard for you to find a more productive intellectual companion. It is possible that you may work together in some public way through speaking, writing, investigating. A real meeting of the minds.

His Mercury in Your Seventh House

He finds you more sexy than just attractive. You felt this quality from the first. His appreciation for you is quite bare and direct. It cuts through words and needless explanations. You can't resist. It's as if he already knows the real you and likes what he finds. He handles the most sensitive areas of your personality without even asking your permission. He knows what to do. A very exciting condition.

His Venus in Your Eighth House

When all is well, the two of you manage to get a lot done, attending to all of the responsibilities that need caring for. He drives you to a greater response than you could provide on your own when it comes to taking care of business. However, if you are the least bit upset or overloaded, you may experience Ramesh as too much of a good thing. He may irritate you. Or you may get critical and petty with one another. The whole thing can be hard on your nerves.

His Mars in Your Sixth House

Ramesh is your good luck charm. He leads you out of yourself and makes it possible for you to come across looking better in situations than you might without him. People experience you as more expansive and outgoing when you are with him. Your relationship could become a highway to much greater things. There may be a tendency to spend everything and get carried away with projects and ideas.

His Jupiter in Your First House

You are going to have to put your money where your mouth is when it comes to matters of truth or morality, for Ramesh will tolerate nothing but a straight gate. You will tow the line. He could be a great help to you in separating the wheat from the chaff from among your many philosophies or grand ideas. On the other hand, you could get the idea that you are immoral just because you don't happen to be as strict as he is. It may be difficult to travel.

His Saturn in Your Ninth House

Ramesh could be a teacher for you -- sort of a life teacher or guide. Not what you would call a tranquil relationship, it may be subject to fits and starts. When you are with him, you may experience real insight into the nature of life -- spiritual ideas. He has unusual and possibly quite radical views of religion. His approach is what is so different. It is possible that through him you discovered an entirely new way of looking at your life and the world. It's on again, off again.

His Uranus in Your Ninth House

Here is someone with whom you share a broad and far-reaching vision. Together the two of you are transported by late- night discussions and common dreams. He brings out the eloquent in you, and when you are with him you sense that you are part prophet and visionary. Your religious and philosophical ideas are in fine tune. There is a very heady kind of romance here.

His Neptune in Your Ninth House

Ramesh's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. He seems to exercise a strange power over you, and this was true from the very first time you met him. You may find yourself wanting to hide this relationship because you feel exposed. He is almost too personal at times. Knowing him amounts to a crash course in facing yourself.
