People you rely on at an emotional level tend to be unable to live up to your expectations at a time like this, probably through no fault of their own. Be supportive; do not expect too much. Extra care is needed in all contractual transactions: read the fine print, and don't get stuck with a white elephant. Real estate sales or purchases are probably not a good idea now.

Social and technological change is at work in your life in a big way now. Adapting to it is a must: trying to maintain business as usual will only get you left behind. It's up to you to stay on top of the latest developments; failure to do so makes things harder.
