About Rajyog

There is no such thing as pursuit of happiness, but there is the discovery of how much joy we are entitled to, according to our destiny. Everyone wants a luxurious and comfortable lifestyle and to enjoy the power and position in society; in short, every person has a desire to live life like a king. The planetary positions and their relationship with each other in a Birth Chart have the power to influence a person's destiny and define if there are chances of attaining a king-like lifestyle.

A fixed conjunction of planets in the Birth Chart can help you become a successful businessperson, a well-known actor or model, a public figure, a famous sportsperson of international repute, a person in power position, devoted philanthropic, a renowned doctor, an architect or whatever you wish to be in life.

Planetary composition or Yoga formed by the combination of auspicious and favorable planets in a Kundali form the Raj Yoga. Raj Yoga in a Kundali indicates that the native will enjoy wealth, financial profits, power, fame and glory, just like a King.

An astrologer needs to carefully study a Birth Chart in detail, to identify the formation of Raj Yoga or any other auspicious Yogas in a Kundali. The functional nature of planets is considered to understand a planet's auspiciousness. An astrologer deeply analyses the relationship between Navamsha and Dashamsha to identify the most effective period in the life of a native when the Raj Yoga will be the strongest and will yield the best results.

For full results of Raj Yoga, it is favorable if the Trine or the Kendra house have the aspect of Jupiter or Venus, and in such case, the native attains power and position in society or in professional life.

Different combinations of Planets and houses result in different formations of Raj Yoga that give various levels of outcomes. Mere existence of Raj Yoga in a Kundali doesn't promise to give you fortune, wealth and power in life. Different positive and negative factors play a major role in defining the kind of lifestyle a person with this Yoga will have.
